

CALL FOR PAPERS

The 21st International Joint Conference on Computer Science and Software Engineering (JCSSE 2024)

CSCRN 0000010100 **JCSSE 2024** PHUKET, THAILAND

JUNE 19 - 22, 2024 | PHUKET, THAILAND

JCSSE, an annual international conference hosted in Thailand, serves as an essential convening for specialists and innovators to collaborate, disseminate, and delve into a spectrum of subjects and advancements within the comprehensive domains of computer science and software engineering. The conference presents an invaluable platform for emerging researchers to exhibit their competencies and intriguing research propositions. We cordially invite submissions of high-quality papers encapsulating novel and unpublished research that propels the Computer Science and Software Engineering disciplines. JCSSE 2024, occurring over a span of four days, will comprise oral and poster sessions from an international assembly of researchers, inclusive of enlightening discourses from distinguished keynote speakers.

The 21st International Joint Conference on Computer Science and Software Engineering (JCSSE 2024) is co-organized by IEEE Thailand Section (IEEE Computer Society Thailand Chapter) and College of Computing, Prince of Songkla University. Accepted papers will be submitted for inclusion into IEEE Xplore subject to meeting IEEE Xplore's scope and quality requirements.

The topics of interest for the conference papers include, but are not limited to:

- 📧 Agricultural and Industrial Informatics
- 📧 Artificial Intelligence and Data Science
- 📧 Blockchain and Smart Contract
- 📧 Cloud and Grid Computing
- 📧 Computer Educational Technology
- 📧 Computer Networks and Communications
- 📧 Database and Information Retrieval
- 📧 Health, Wellness and Bio informatics
- 📧 Human Computer Interaction and Affective Computing
- 📧 Image Processing and Computer Vision
- 📧 Information Forensics and Security
- 📧 Internet of Things and Embedded Systems
- 📧 IT Project and IT Service Management
- 📧 Knowledge and Data Management
- 📧 Machine Learning and Intelligent Systems
- 📧 Natural Language Processing
- 📧 Ontology and Semantic Web
- 📧 Pervasive and Mobile Computing
- 📧 Quantum Computing and Algorithms
- 📧 Software Engineering and Software Development
- 📧 Sustainable Computing

Important Dates

Papers Submission Deadline:

~~30 March 2024~~

Extended 7 April 2024

Notification of Acceptance:

30 April 2024

Camera Ready Submission Deadline:

1 March - 15 May 2024
